Documents addressing Business & Commercial Law

Simplify Your Approach to California Business & Commercial Law

Get actionable guidance from CEB secondary sources and workflows that break down the most complex regulatory issues in the country. Access key titles with information you can't get anywhere else.

Advising California Nonprofit Corporations

- Essential for both attorneys and nonprofits, this is a unique law and practice guide on forming, operating, and maintaining California nonprofit corporations, written and edited by an extraordinary group of well-known experts from across the state.
- It includes charts on charitable solicitation regulations and license requirements for all cities and counties in California.

Forming and Operating California Limited Liability Companies

- The essential practice guide to organizing and operating limited liability companies under California's LLC Act.
- This guide covers everything from formation to dissolution, including business and other nontax considerations, filing requirements, and concerns relating to securities law.

Advising California Employers and Employees

- Workplace relationships are affected not only by legislative enactments and judicial decisions, but also by changing economic realities and business practices, political and cultural changes, and technological advancements.
- Be ready to deal with virtually any workplace issue your clients may face with this practice guide.
